

Embracing Excellence Around the World

纵揽全球精华

Jasmine Group is an International company operating in the fields of project management, international trade and entrepreneurial initiatives. With a pioneering spirit and proven track record, Jasmine Group is driven by its commitment to deliver high levels of precision and quality for complex turnkey projects worldwide.

Jasmine Group is introducing state-of-the-art Israeli medical equipment, water treatment systems and agricultural technologies to China's developing areas. Jasmine's office in Beijing has more than 20 staff members who operate throughout mainland China.

Vision. Precision. Tradition.

愿景, 精准, 传统.

The Jasmine Story

Established in 2000, the company began its journey with core activity in the media and communications industry, gradually evolving towards the fields of infrastructure and healthcare technology. From headquarters in Israel, and offices in China, USA and Switzerland, today Jasmine Group initiates and manages projects that are enhancing communities all over the world.

The Jasmine Way

The Jasmine approach encompasses a unique creativity and ingenuity that sets us apart, combined with a track record of skilled, high quality project execution. The Jasmine team cultivates fruitful partnerships with leading Israeli governmental, banking and financial institutions, providing the foundation for the Group's innovative approach to project financing.

The Jasmine Family

Our human capital is our most powerful asset. Each member of the global Jasmine family is driven by total commitment to success, drawing on comprehensive experience and a specialized skill set to ensure optimal efficiency and cost-effective results.

See the Future. Make it Happen. 预见未来. 实现未来.

Jasmine Group is a project integrator and manager, with a focus on projects funded by Israeli governmental loans under the Israel-China Financial Protocol. Initiating, funding and executing complex projects with success and within short time frames while working in partnership with local governments and private entrepreneurs to enhance the economic and social fabric

of China. With a focus on the export of advanced Israeli high-tech products and know-how to China, Jasmine Group is dedicated to the advancement of health care, water treatment, agribusiness, professional education and more. Jasmine team is comprised of professionals of both nationalities, working towards the common goal of advancing the quality of life in China.

Israel & China: The Fruits of Friendships 中国和以色列: 友谊的硕果

Jasmine Group is the leading company operating in the China-Israel financial protocol framework since 2007. Over the years, Jasmine Group has developed powerful partnerships with banks and financial institutions. These networks fortify the company's strong financial

and operational backbone, formed over a decade of investment success. With the resources, contacts, skills and expertise to deliver results, Jasmine Group offers a hand of friendship and professional support to our partners in China.
